

CUREIQ Medical Cart

Mobile Computing for Critical Care

Mobility matters in healthcare —
and so does performance.

The **CUREIQ Medical Cart**
empowers healthcare
professionals with reliable,
on-the-move digital access.

Features Include

1. Height-adjustable for ergonomic use
2. Quiet, easy-to-clean medical casters
3. Optional Barcode Reader integration

Ideal for **nurse stations, mobile ward rounds, and emergency care units,** where every second counts.
