

Wayfinding Kiosk

Area of Usage
POLYCLINIC

TM-349

Visitors can find their destination more quickly and effortlessly with CUREVISION Wayfinding kiosks.

By offering valuable digital advertising space, CUREVISION Wayfinding kiosks are a powerful revenue-generating advertising platform. The CUREVISION Wayfinding Kiosks can also communicate information such as events, announcements, and emergency alerts. A CUREVISION wayfinding kiosk can also be configured in multiple languages so that information can be translated and used by a broader audience.

Features

- Horizontal Touch Solution
- Ergonomic and Stylish Design
- Interactive Communication with the Customer
- Vandal Resistant Design
- Customization with Corporate Color and Logo
